EXPERIENCE

Web Developer (intern)
CWI Software
Jun 20 - Present

I joined CWI Software through the 23rd edition of Crescer. I am currently (07/2022) on an internship contract, participating in the second level of the program. This level seeks full-stack training for participants to join CWI projects at a later.

Web Developer
SBSistemas
Dec 2021 - Jun 2022 - 7 months

During my time at the company I worked in the creation and maintenance of the components of the company's internal design system. Also, I partially developed one of the apps in React Native.
